In addition to those included in the contract, the following actions are non-contractual:

1. **Environmental Cleaning**
   - This involves routine cleaning of facilities to maintain a healthy and safe environment.
   - Regularly scheduled cleaning tasks are performed to ensure proper hygiene.
   - Includes cleaning of surfaces, restrooms, and common areas.

2. **High-Touch Hygiene**
   - Focuses on areas where frequent hand contact occurs.
   - Sanitization of high-touch surfaces is prioritized, such as doorknobs, buttons, and rails.
   - Regular disinfection is conducted to reduce the risk of transmission of pathogens.

3. **Personal Health Protocols**
   - Employees are encouraged to practice good hygiene and maintain social distancing.
   - Regular hand washing and proper use of sanitizers are mandatory.
   - Masks are required in public areas and during close interactions.

4. **Health Monitoring**
   - Temperature checks are conducted before entering the facility.
   - Frequent updates on health status are exchanged to ensure prompt action if necessary.
   - Contact tracing measures are in place to identify and isolate potential exposures.

5. **Flexible Work Schedules**
   - To accommodate varying health conditions and to minimize exposure.
   - Employees are given the option to work remotely or adjust schedules as needed.

6. **Remote Work Options**
   - Provided for those unable to work in person due to health concerns.
   - Telework arrangements are facilitated to ensure continuity of work activities.

7. **Regular Updates**
   - Communication about the evolving situation and related changes is maintained with all employees.
   - Updates on policy changes, new guidelines, and important health information are disseminated.

8. **Employee Resources**
   - Access to online resources and support services is provided to address mental health and wellness needs.
   - Counseling and other support services are available to assist employees in managing stress.

These actions are designed to complement the existing contract and ensure a safe and healthy work environment for all employees.
